

ARMORVUE Window and Door

Every hurricane season when alerts sound on our weather apps, and TV news reports for days on the impact of storms on the Suncoast, we all want to know that our families and homes will be safe; to have the peace of mind that everything dearest to us will be unharmed during the storm.

ARMORVUE Window and Door provides just that: a feeling of security knowing you have quality windows tested to withstand Category 5 hurricanes, high-impact storm doors, patio doors, and secure entryways that are as beautiful as they are strong.

With ARMORVUE, you'll enjoy many additional benefits by upgrading your windows and doors — security from intruders, external noise reduction, lower utility bills, protection from damaging UV rays — all of which add value to your home.

Toby and Lisa Tokes

ARMORVUE's Stellar Reputation

ARMORVUE owners Toby and Lisa Tokes take pride in the company's slogan, "From permitting to final inspection, ARMORVUE takes care of it all." They make sure ARMORVUE watches over every detail of a customer's project, every step of the way. This kind of excellent service is the reason ARMORVUE has earned a stellar reputation on the Suncoast.

Upgrading windows and doors is a big step for homeowners, and you can trust ARMORVUE's team of highly trained experts to help you understand their products' features and benefits so you can make an informed decision about what's right for you. They will help you choose from their impressive array of high-quality products that meet the strictest industry standards.

Outstanding Customer Service

ARMORVUE strives to live up to their mission to earn your trust and provide the highest level of service in the industry. They call it their "Gold Standard" of customer service, and it applies to everyone from factory reps and office staff to the installation department. The "Gold

Standard" includes respecting the customer's time and investment, positive interaction with customers, and communication with the ARMORVUE reps who take time to fully educate each customer.

Also, customers can see and touch portal samples in ARMORVUE's free in-home estimate appointments and then view the actual products in the beautiful showrooms. And, during the pandemic, customers have choices in order to stay within their comfort zones including visiting a showroom in person where social distancing is practiced, or making virtual appointments instead.

ARMORVUE offers a transferable lifetime warranty and flexible financing options to fit any remodeling budget, is fully insured, and accredited with an A+ rating from the Better Business Bureau.

If you're thinking of replacing your windows and doors to make your home safer and to enhance its beauty, Trust the experts at ARMORVUE, the Clearly Stronger Choice For You.
